

Hudsonville Bands Pie Sale

Due to the success with our pie sale last year, Hudsonville Band Boosters decided once again to have their annual pie sale! With Easter being earlier this year we unfortunately won't be able to make them in time for Easter, BUT since they are good for up to 6 months frozen you can buy now for the 4th of July! What's more American than Apple & Blueberry pies?!?

These fresh unbaked 9-inch double pastry apple and blueberry pies come individually boxed with baking instructions and can be refrigerated for up to 5 days or frozen for up to 6 months until you are ready to bake. Order several and enjoy freshly baked "homemade" pies without all the work!

The sale will be from March 1st - 28th with orders due March 29th. The pies will be made and ready for delivery on Saturday, April 25th!

The best thing is Hudsonville Band Boosters has again agreed to split the profits with our band students! Once again, this year your band student can earn \$2.50 per pie they sell to be put into their band account **if they get an adult 18 or older to help set up for the pie making Friday, April 24th or making of the pies on Saturday, April 25th**. (Middle students are allowed to work alongside their adult)

What could this money earned be used for?

Students can use money in their band accounts to be used for smaller things things like reeds and oil/grease for their instruments, 8th grade band shirt for the football game/cedar point trip, the cedar point trip, their marching band shoes if they decide to do marching band, instrument payments, private lessons... etc.

Otherwise you do have the option to save up your money (it does transfer from year to year) where you could put it towards bigger things if your student decides they would like to participate in one (or more) of the following.

Marching Band (2020 it will cost \$700)
Winter Color Guard (2019 it cost \$600-\$700)
Winter Drumline (2019 it cost \$700)
High School Spring of 2021 Disney Trip
(2017 it cost \$1192 for students and \$900 for chaperones, expect the cost for this trip to go up)

The above prices are what the prices were in previous years just to give you an idea of what you can be saving up for if your student decides to participate in them.

If you would like to earn the \$2.50 per pie sold, please contact Tracey Hartman at traceyhartman37@gmail.com so we can start making up our volunteer list.

Helping Hudsonville Bands is easy as PIE!
